**Subject:** scheduling our technical mtg for Tower Standard

Hi John,

How soon after our DNR/EPA meeting do you think we can get together for a Tower Standard technical discussion? If I had my preference, we (technical folks) would just stay in Madison and discuss on Feb. 5, but much depends on whether you have all the data and information you need, not to mention folks' schedules.

Please let me know what you think is possible.

Thanks.

Regards,

Bob
